Friends Around the World

Paper doll chain to color and cut

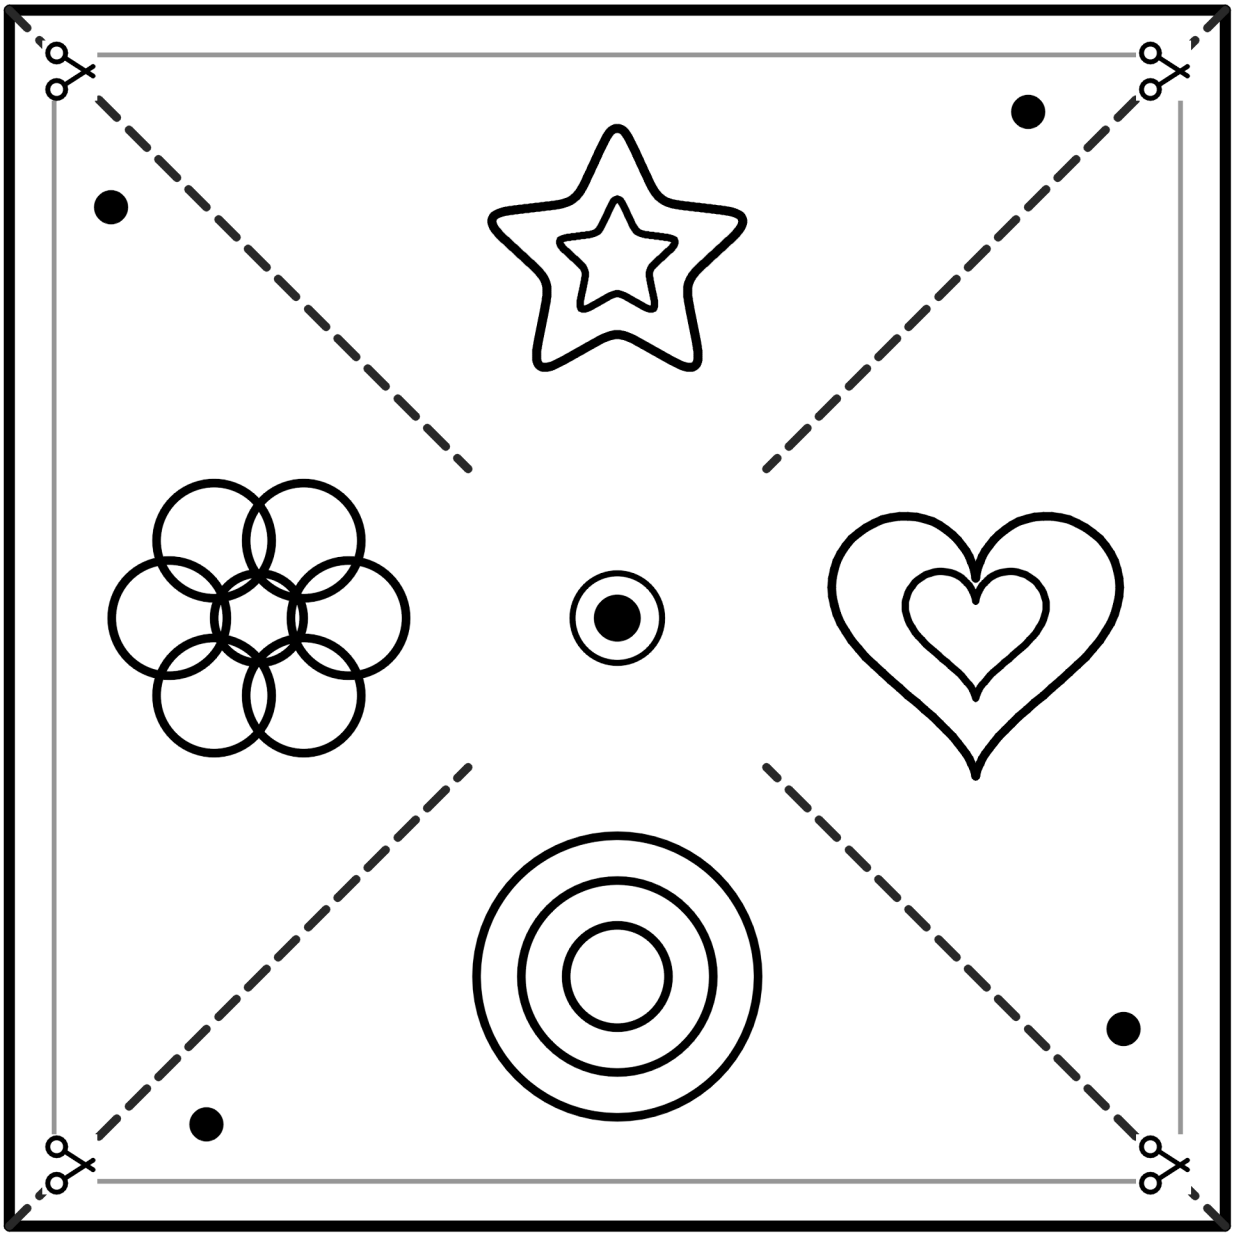

1. Cut out the strip. Fold it back and forth like a fan along the dashed lines.
2. Keep it folded and cut around the child. Leave the hands joined at the folds.
3. Open the chain, color every friend, and tape the two ends into a ring.

Pinwheel Template

Color, cut, and spin

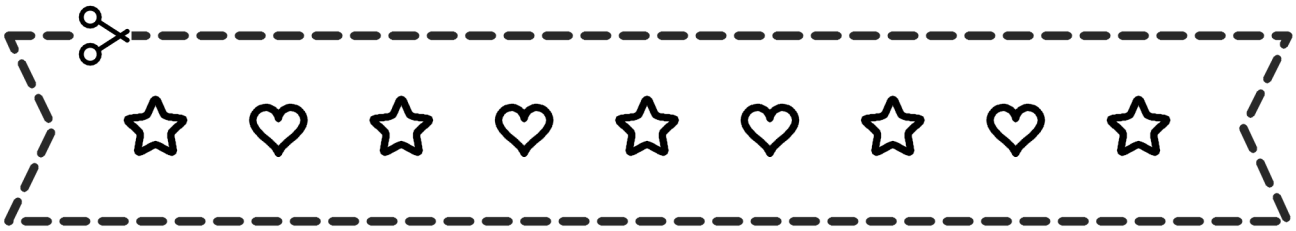

Big dot in the middle: stop cutting here. Small dots: poke a hole for the pin.

1. Color the square and cut it out. Cut along each dashed line and stop at the big middle dot.
2. Bend every corner that has a small dot into the middle. Do not crease the paper.
3. A grown-up pushes a pin through all the dots and the center into a pencil eraser.

Happy Children's Day Medal

Color the medal and the ribbon

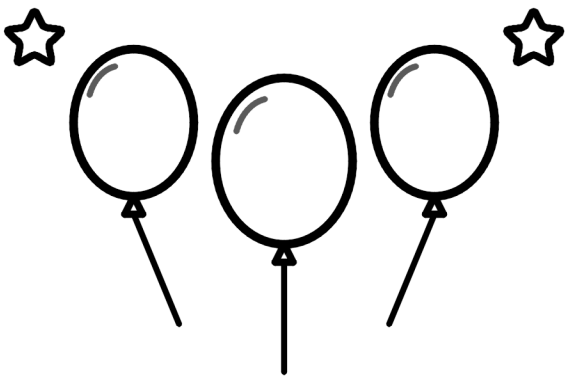

Ribbon: cut out, fold in half, and glue the fold behind the medal.

1. Color the medal and the ribbon strip.
2. Cut both out. Fold the ribbon in half and glue the fold to the back of the medal so the tails hang down.
3. A grown-up fixes it on a shirt with a safety pin or double-sided tape.

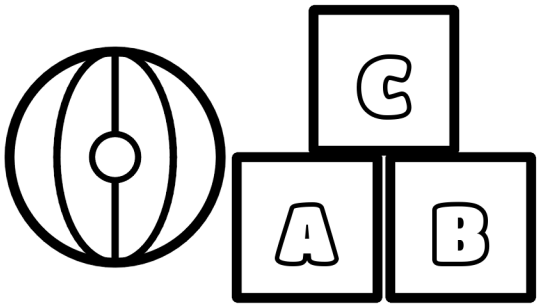

Children's Day Door Hangers

Color, cut, and hang

HAPPY CHILDREN'S DAY!

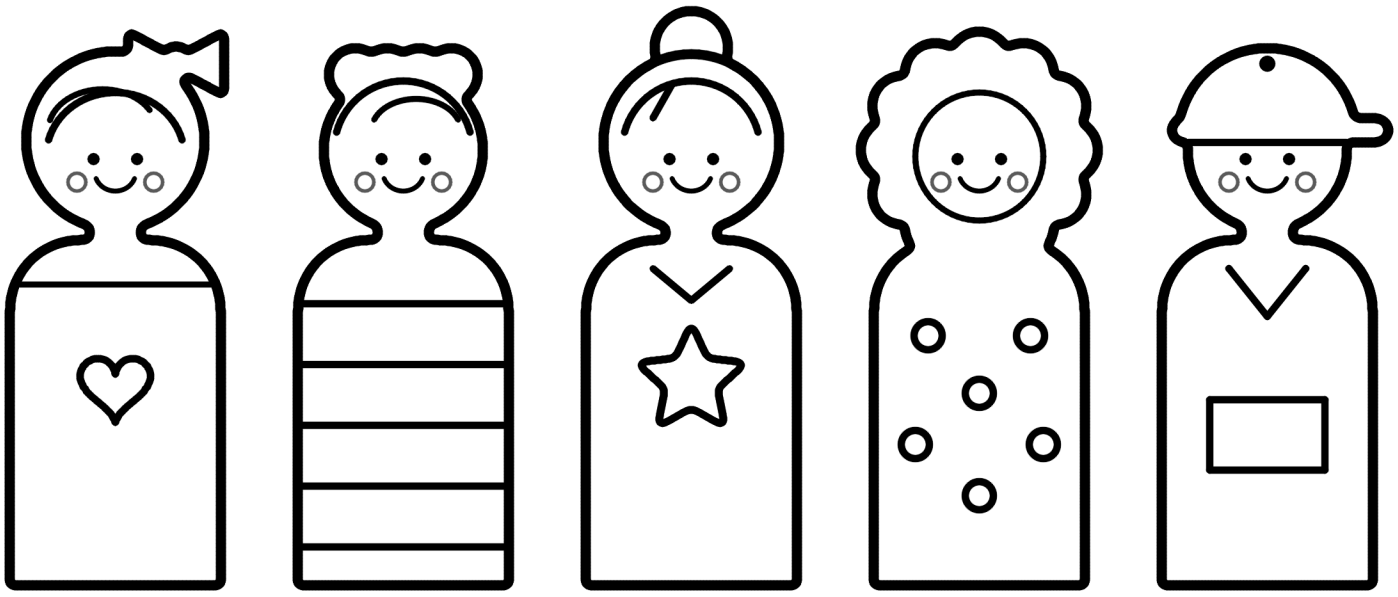

KID AT PLAY

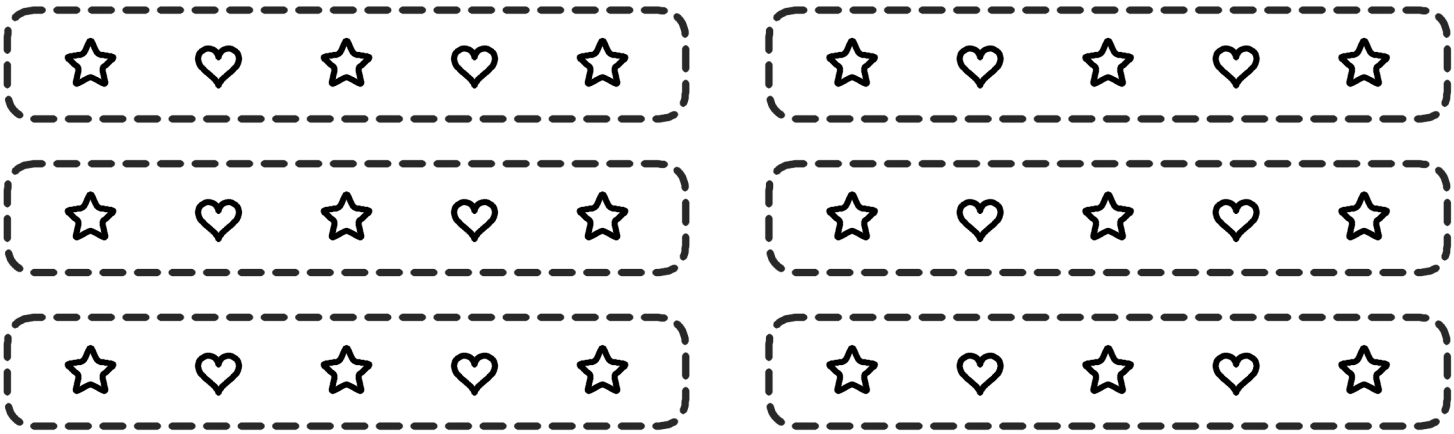

1. Color both hangers and cut them out.
2. Cut out the circle at the top, then cut along the double line from the circle to the top edge.
3. Slip the hanger over a door knob. Use one side for each mood.

Children Finger Puppets

Color, cut, and play

Ring strips: cut them out and tape one into a ring that fits your finger.

1. Color the five children and cut them out. Cut out five ring strips as well.
2. Wrap a strip around a finger and tape the ends into a ring. The sixth strip is a spare.
3. Glue a puppet to the front of each ring. Let the glue dry before you play.

Watch Me Grow Handprint

A flower pot keepsake

Press a painted hand here

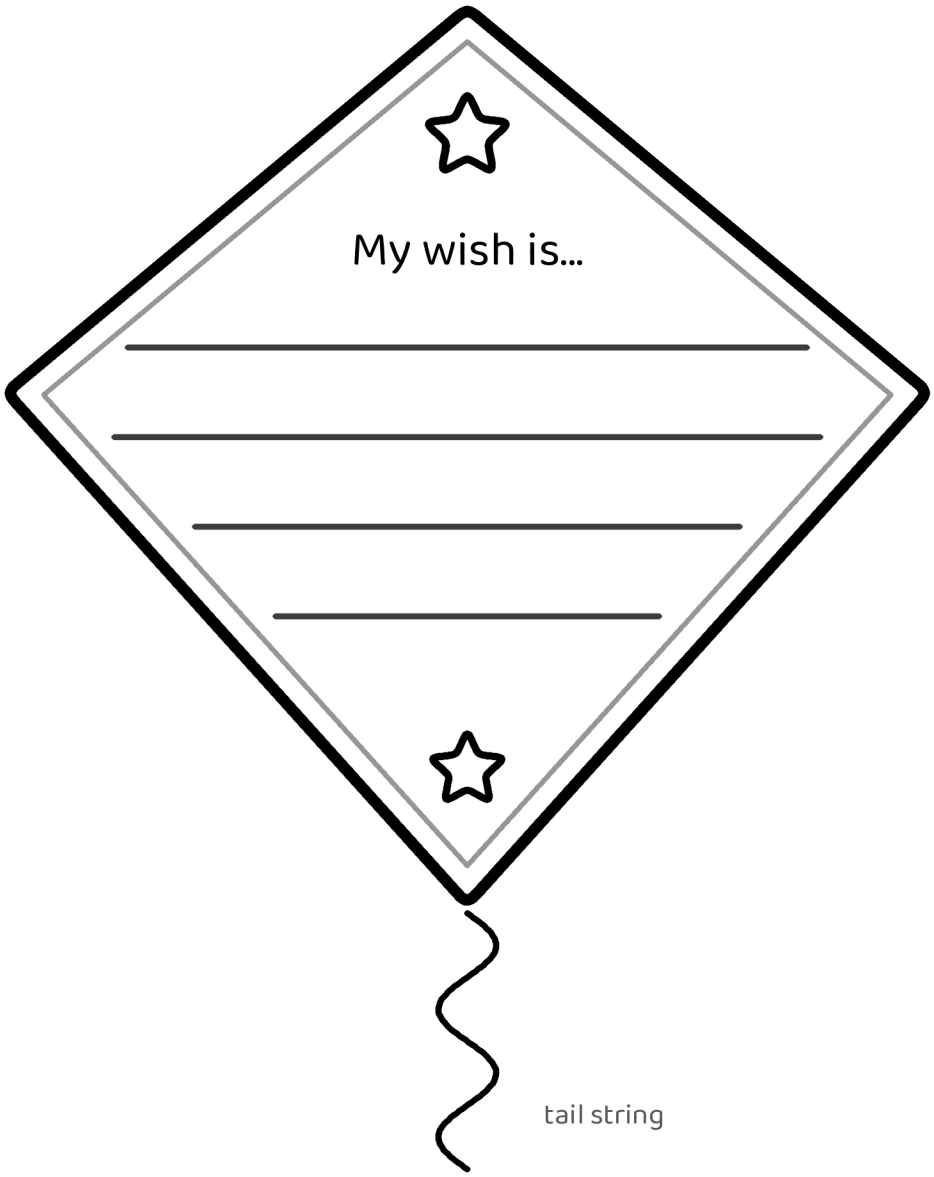

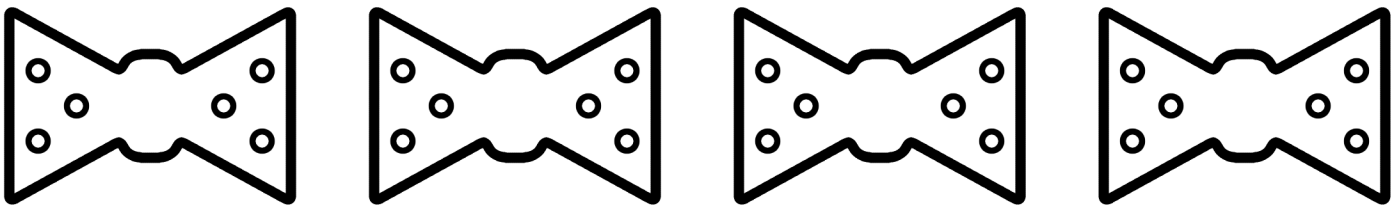

Name: _____ Date: _____

1. Paint your child's palm and press the hand inside the dashed shape. You can also trace the hand and color it in.
2. Let the paint dry, then color the flower pot and the leaves.
3. Write the name and the date on the lines. Hang it up or give it as a keepsake.

Children's Day Wish Kite

Write one wish, color, and cut

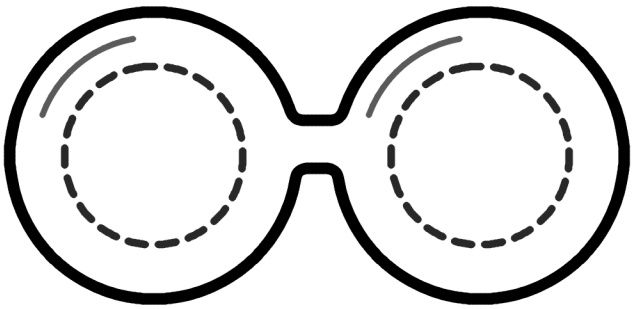

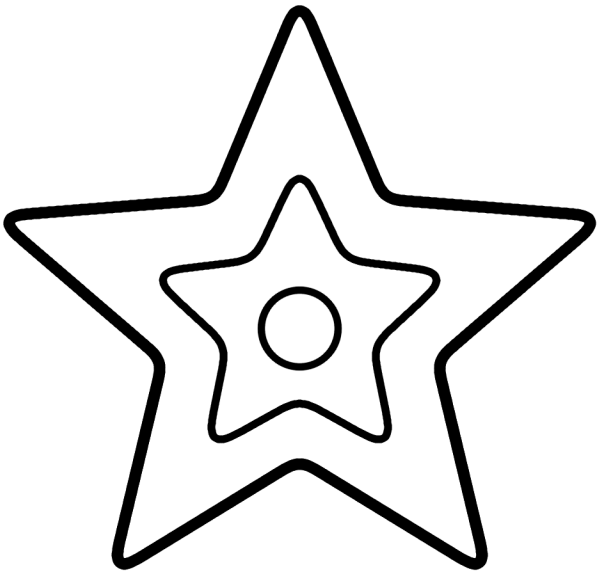

1. Write or draw one wish on the lines. Color the kite and the four bows.
2. Cut out the kite and cut out each bow.
3. Glue the bows along a piece of yarn and tape the yarn to the bottom point of the kite.

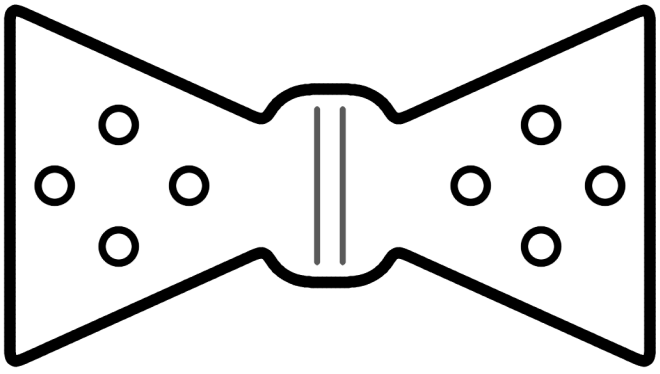

Photo Booth Props

Color, cut, and pose for Children's Day

Cut out the round lenses too

1. Color the four props and cut them out.
2. Cut out the two round lenses of the glasses so you can see through them.
3. Tape a craft stick to the back of each prop, hold it up, and pose for photos.
